

BOYDEN QUARTERLY CIO DINNER

In conjunction with Gartner Executive Programmes

“Understand and leverage what CEOs are looking for in CIOs”

We are delighted to invite you to join us at Claridge’s for dinner to participate in a discussion on the CIO/CEO relationship.

Gartner has recently conducted extensive research into why some CIO/CEO relationships are more successful than others and what can be done to enhance them. The study highlights potential common ground that is frequently missed and dispels some long-held myths.

Dave Aron, one of Gartner’s leading experts in this space will share the findings and lead our discussions.

It will be an evening to relish, so please join us at our CIO dinner at Claridge’s on the 13th October at 6:30 pm, co-hosted by Peter Shores of Gartner. Brinley Platts of CIODEVELOPMENT will navigate our discussion to a successful conclusion by 9.30 pm.

Please note that this invitation is not transferable. We do hope you’ll come along to help make it memorable.

RSVP to Melissa Hoppe at melissa@boyden.uk.com or by telephone 0207 389 9776.

I look forward to your reply.

Best wishes
